Dear Mrs Halas and the P and C,

We know that help to make our school
The best that it can be.
We are very thankful for something that you’ve done.
You’ve given us an air conditioner to cool us from the summer sun.

So when this summer comes and we are feeling hot,
We will be forever grateful for the air conditioner we got.

Thank you Mrs Halas and your special team.
You’ve cooled us down this summer
So that working will be a dream.

Mrs Dunphy and Mrs Woo
