Distance Education
Boost Intervention Project

Sixty students participating each week in a variety of online learning opportunities
Design 3.0 Coach – Mr David Saunders Visits ACSS
A Year 5 and Year 7 Project ...

Each Week the students are required to design a new project.

Mr Saunders visited to discuss the design of a desk lamp.
Mr Saunders was very impressed by the welcome he received from the students and by their eagerness to work cooperatively. Well Done! ... Year 5 and Year 7 students...
An earlier project challenged the students to make a lunch box.
Year Six - Project 600 Online Learning
Developing Writing Skills
Our Year Students are striving to enhance their writing skills as they work with their online writing tutors.

We can join their lessons by logging on from our classroom and office computers.
