29/02/16

Dear Parents

Dr Jan Blok will be visiting our school as our Scientist in Residence again this year. She will work with Year 4 this week and again in November. She will work with Year 5 on 23, 24 March and again in December. She will be conducting Science demonstration and hands on activities with classes during this time. These sessions directly relate to work being studied in class. The cost per student will be $6 to cover both sessions for the year.

Please complete the permission form below, and return to school with $6 by Tuesday, 8 March.

Yours sincerely

Bill Pooley (Co-ordinator)

Paul Kingston (Principal)

I give permission for ____________________________ in class _______ to participate in the Science demonstration and hands on activities. Enclosed is $6
