Camp Warrawee- Year 4 Camp 13th March to 14th March 2017

School Camp – Code of Behaviour

School camp is essentially a cooperative experience where participants will strive to work harmoniously with others and to take responsibility for the high expectations set.

In addition to living by this code, students are expected to follow three specific rules:

School Camp Rules

1. Follow directions happily the first time by:
   • being an active member of the group, contributing and co-operating fully with others in order to achieve the best for the group;
   • striving to complete each activity to my very best;
   • understanding that these rules are for the personal benefit and safety of everyone, and;
   • wearing my broad-brimmed school hat and carrying with me only those items listed in my camp note.

2. Keep hands, feet and objects to myself by:
   • displaying behaviours that develop friendships, and;
   • avoiding any form of bullying and harassment.

3. Showing courtesy and consideration to others by:
   • respecting and valuing the rights and opinions of others, and;
   • respecting ‘lights out’ so as not to cause disturbance to students or staff who may be tired.
