Details of Year 4 Camp Warrawee:

Drop Off:

- Children can do their farewells as they normally would on Monday morning and arrive at school at normal time, before 8:45am.
- Children can then drop off their bag at the hall in their class area, which will be signed.
- As soon as bags have been dropped off, children then go and do as they normally would before the bell goes.
- This prevents the hall becoming congested with people as well as luggage!
- When the bell goes, children report as per normal to their teacher in their classroom.
- The buses will not be leaving until 9:30am.

Pick up:

- Buses are expected to arrive on Tuesday at approximately 3:00pm at Wruck Crescent (outside the Coles Shopping Centre).
- It would be appreciated if you could meet your child here at this time.
- If you cannot be there because of other obligations, please make alternative arrangements.
- If your child is going to the OHSC (Outside Hours School Care), please make sure your child is aware, and a teacher can accompany them there.
- If no one is there to meet a child in time, they will be taken to the ACSS office.

Sleeping arrangements:
The children will be sleeping in dormitories in bunk beds – not tents. Potential sleepwalkers will specifically be assigned the bottom bunk.

Medication:
1. All medication including Panadol and the like must have a label from the chemist.
   If it is prescribed by a doctor, it should be labelled clearly with the student’s name.
2. Medication should be packed in a Snaplock bag with a name on it.
3. When dropping off luggage in the hall, medication should be handed to the teacher in charge of Medication.

Behaviour:
While on camp, children have to be trusted to manage their behaviour. We thank you for taking the time at home to discuss appropriate behaviour expectations, as we have done at school. We also thank all parents for signing and supporting our behaviour contract and policies.

If there are any concerns about your child while on camp, staff will contact you personally.

Thank you for your support as always. By sending your child to camp, you are giving them an opportunity to grow on so many levels, particularly confidence and independence. These experiences always provide such good memories of school years.
